Accredited Programmes of Study

The accreditation by the Cyprus Agency of Quality Assurance and Accreditation in Higher Education (CY.Q.A.A.) of all the Programmes of Study offered by the College reaffirms the quality and high level education and training provided at the College.

Student Grant

A student grant up to €3.420 is offered by the State for each year of study to eligible students attending the programmes of the College, subject to meeting the respective legislation criteria.

International Recognition and CIDESCO Examinations

The continuous contacts with European Educational Institutes and International Professional Bodies contribute to the ongoing upgrade of the programmes of study offered. The College has adopted the European Credit Transfer System (ECTS) in accordance to the European standards of education.

The College is also accredited by the International Beauty Therapy and Cosmetology Organisation CIDESCO International (Comite International d'Esthetique et de Cosmetologie). Hence, the students, having successfully attended the College programmes of study, could take the CIDESCO International Examinations, organized on a worldwide level. Upon successful outcome, the students may obtain the reputable CIDESCO Diplomas in Beauty Therapy, Spa, Aromatherapy and Media Make Up, which are of international acclaim.

Erasmus+

The College was awarded the Erasmus Charter 2021-2027 in Higher Education and the Erasmus Accreditation 2021-2027 in the field of Vocational Education and Training. Hence, students and staff of the College could have part of their studies and practical training in other European countries, financed by the European Union.

Employment prospects - Future

For a well trained Beauty Therapist and Make Up Artist there are opportunities and good prospects for employment in Cyprus and abroad.

The long establishment, the specialisation and experience of the College in providing quality education and training in Beauty Therapy and Make Up, is acknowledged by the employers and the market in Cyprus. Consequently, the demand for College graduates is high, and they enjoy great success.

It is for these reasons that Susini College is the best choice for studies in Beauty Therapy and Professional Make Up.

Admission requirements

Application for admission to the programmes may be submitted from graduates of Lyceum or other Secondary Schools (High Schools), public or private, possessing a School Leaving Certificate (Apolyterion) or any other equivalent qualification.

Offer of a place - Registrations

A place for a specific semester is offered to students at any time. New students may be admitted twice a year: in September - October and in January - February.

For more information and registrations please contact the College.
